

Gladstone College of Nursing

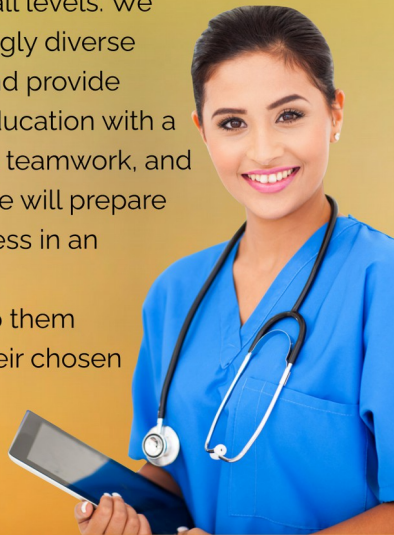

Gladstone College of Nursing can provide you with the kind of nursing education that can help you thrive both professionally and personally. We endeavor to serve the public by educating and training nurses who are equipped to deliver quality patient care with a compassionate, kind attitude.

If you have always wanted to become a nurse, now is your chance to learn from industry-tested professionals. Our expert instructors will assist you when it comes to patient care.

We provide a challenging but supportive learning environment that fosters learning and growth. At Gladstone College of Nursing, Inc., our student's success is our success.

Mission

To maintain the highest standards of professional nursing education at all levels. We will serve an increasingly diverse student population and provide continuous, quality education with a focus on compassion, teamwork, and positive work ethic. We will prepare our students for success in an ever-changing work environment and help them become leaders in their chosen healthcare field.

ABOUT US

Helping you achieve a satisfying and respected career.

Gladstone College of Nursing, Inc. is a private healthcare training institution open to students who wish to pursue a nursing career. Since our inception, our goal is to establish a reputation for excellence in quality education and promote lifelong learning opportunities for all.

Our online degree programs focus on nurturing our students' knowledge and capabilities to the fullest.

The Gladstone College of Nursing Advantage
We are a small institution staffed by highly-qualified professional nurses, the majority of whom have Master's degrees in Nursing. Our founder has over 20 years of experience in postsecondary education and is dedicated to providing the highest standards of education for students. At Gladstone College of Nursing, we want our students to achieve the best possible outcomes no matter what program they choose.

PROGRAMS

Quality nursing education starts here.

At **Gladstone College of Nursing**, you can start nurturing your future the same way you nurture others. Our nursing programs are designed to give you relevant knowledge and skills that will help you achieve success in the healthcare industry.

We are constantly assessing our nursing programs so that our students are equipped to meet the changing needs of the nursing profession.

Nursing programs:

- **NCLEX Review**
- **LPN - Licensed Practical Nurse (Diploma)**
- **RN - Registered Nurse (Associate Degree)**
- **Bachelor of Science in Nursing (BSN)**

Our Vision

To transform lives by promoting health and elevating the standards of quality health care. We will be a nationally-recognized center of excellence in the nursing industry. We will produce the next generation of compassionate, empowered nursing professionals capable of addressing the challenges of a culturally diverse and rapidly changing health care environment.

Non-Discrimination Policy

Gladstone College of Nursing offers admission to all students regardless of gender, sexual orientation, religion, creed, disability, marital status, color, race, national origin, or any other characteristic protected under applicable federal or state law.
